## Amazon Receipt Generator 20

Easy Invoice generates all your estimates, invoices and receipts... Anyone recommend a free/cheap VAT invoice generator for Amazon? I found a free online service that does this. It's called PayPal Vendor (it has a website and a free trial which is 10 accounts). It's a very simple program that just checks your VAT number (if you're trading with Amazon) and automatically fills in an Excel receipt (you can change the design). In this article, I will describe how to use it to generate invoices.
