Loyalty and Blood: Viktor Origins is a unique-combination stealth-action game that takes place in the alternate-reality of The Great War, which is reborn in the new Great War. Based in a technocratic utopian era in 2055, players battle both other heroes and the enemy to protect the American Badlands. A mysterious organization known as the Legion spreads darkness across the Homeland, but they're not the only one; a mysterious cult of monks known as the Order grows in power. The Legion prepares to execute their plot for world domination and all true heroes are forced to become outlaws and protect the Homeland. Players will play as Victor, a former agent of the Legion, who is now known as the "Loyalty". In order to protect the Homeland, the Legion recruits other "heroes" for one last mission to destroy the Order before they rise to power. Note: This is not a full expansion to the game, but rather the original soundtrack for that content. Viktor Origins contains a bonus chapter: Viktor Origins In order to foil the Legion's plans, the Legion recruits a man known as Viktor to infiltrate the Order.Q: "Mass" Maven WAR Plugin: Exclude subdirectories from deployed file structure I am currently using the "mass" Maven WAR Plugin with the following configuration: org.codehaus.mojo build-helper-maven-plugin add-source generate-sources add-source target/

### What's new in Scallywag's Honor:

**Guard Scallywag's Honor Guard is a 1796 British Museum exhibition of 18<sup>th</sup> century objets d'art and fine craftsmanship. The exhibition originated in London's now disappeared Temple of Liberty; the name Scallywag's Honor Guard was invented during the course of writing the exhibition catalogue. Part of the exhibition is a series of essays about artists and makers (sometimes members of the Royal Society of Artists), which begin with John Constable, Robert Wyatt and Richard Wilson and then follow in an alphabetical order: Albrecht Altdorfer, "The Blessed Pig", 1285 Andrea Brustolon, "Weapons of the Counterrevolution: Concealments, the Uniform and Artisanal Contrivance", 317 Anne Conway, "Allegory of Sibyl's Prophecy", 1738 Charles Grignion, "Lemias' Trepidation at Fear and Revelation of Truth", 1725 Mythic narratives and the fantasies of the Scallywag's Honor Guard and the exhibition catalogue extend from 20th**
