

Renault-immo-calculator-trantir

Oct 10, 2019 Current models that can be compatible with ImmoTrantir-Calculator - I can't find how a Renault Immobiliser Calculator can be used on their old models. So can they be used at all on any old Renault cars? A: No. The code has to be installed in a specific way. The exact description is on the French Wikipedia page: Les commandes du "rAB Maître" permettent de vérifier la connexion de votre véhicule à son immobiliser. Il est par exemple possible de vérifier si votre véhicule peut accéder au véhicule du propriétaire par association d'autorisation du code IMMO. La solution a été conçue pour les véhicules S.N.: X: Véhicules 1 à 5 années. Tous les codes IMMO M.O.L.V. (toutes les marques en français) sont supportés à cet effet. Si vous avez déjà un boncode immobiliser ou passeport, si c'est le code immobiliser, il faut de toute façon installer le "rAB Maître". Translated: The commands of the "rAB Master" allow to check the connection of your vehicle to your owner. For example, you can check if your vehicle can connect to the vehicle of the owner by association of authorisation code IMMO. The solution has been designed for vehicles S.N.: X: Vehicles from 1 to 5 years. All IMMO M.O.L.V. (all brands in French) codes are supported. If you already have a good immobiliser or passport, if that's the immobiliser, you have to install the "rAB Master". So, you have to go to Renault.fr to order your own key reader, or get the "rAB Master" from a Renault dealership. A: If you mean this tool, the part numbers of the tools would be: 0401100003 0410120003 0410220010 04121700015 04121800016
