Today is the start of National Men's Health Week, and it's a good time to look at a topic that really deserves to be treated like a health emergency, namely male suicide. Our own Dr. Mark Blumberg is back to talk about this important issue with the first part of a two-part series for Health Central. The next part of the series will air Thursday, March 1, at 8 p.m. Eastern on PBS stations across the country.
