Check out our recommendations for this collection, selected by our editors! Information of the week. 444 items. All articles in this collection will be available to you within seven days! What is a "triumph" and what is it eaten with? Triumph (Greek tympanon - drum and phrometeos - victorious) - an honorary title that was sometimes given to the winner. In a figurative sense - success, triumph. The victors - the authors whose materials you can read this week in this collection - have every chance of being awarded, as it should be, with medals and certificates. Most importantly, get the recognition you deserve.
